

Monster

Chorus

**I am a scary monster
I am such a horrible sight
I am a scary monster
I can roar with all my might**

My face is very ugly
See how I show my teeth
My fingernails are long and sharp
Guess what I like to eat

Chorus

My hair is green and messy
'Cause I don't like to wash it
All the better for scaring you
When I shake my head and toss it

Chorus

My feet are very, very big
I'm really good at stomping
You had better give me lots of room
Whenever I go romping

Chorus
